4 REQUEST EXTENSION OF TIME REGARDING RESPONSE TO REFEREE REGARDING INTERIM ORDER

Peter Zunker stated that Section 50 of the Building Units and Group Titles Act (*BUGTA*) does not permit the Community Body Corporate (*CBC*) to appoint a Body Corporate Manager to the Subsidiary Bodies Corporate.

The Chairman responded that the Community Body Corporate had engaged Body Corporate Services to provide certain administration support services on its behalf. The contracts have been executed, have not at this point been set aside, and therefore potentially, any Subsidiary BUP that appoints another contractor independently, may have to pay both contracts.

Body Corporate Services noted the applicants are members of the Community Body Corporate and invited Committee members to declare any conflict of interest (although not restricted by the *aMixed Use Development (MUD)* Act. All members declined and advised they will exercise their respective votes.

Tony Rich queried if any BUP had not given consent to Body Corporate Services operating bank accounts. David Gordon, for Body Corporate Services (*BCS*), advised the willingness of Body Corporate Services to consent to a variation to the engagement to provide for direct instructions from the Chairman or the nominee appointed, to provide for specific instructions from BUPs as authorised by the Chairman of the CBC.

4a MOTION: - A suitable clause be inserted in the BCS administration agreement authorising BCS to take instructions from a nominee of a subsidiary BUP in the scheme on matters pertaining to that BUP only. Where there is a dispute as to the direction, the decision of the nominee of the CPCBC will override the direction of the BUP's nominee. CPCBC Chairman to propose a suitable motion to the next Extraordinary General Meeting.

11 WATER PURCHASE

John Gilliland advised content of request from Star for purchase of more water at a cost of \$220.00/10,000 litres. Duhig representative advised the meeting that Duhig resolved to purchase water subject to other BUPs doing the same. Randall Edwards, nominee of Duhig BUP, recommends each BUP buy one tank per month to make more water available following the advice in the report by Warren Fisher, that the BUPs pay for their own water consumption.

Duhig was not keen to restrict the hours of usage but had little choice as a complaint had been received from a resident regarding the negative impact on their quiet enjoyment.
