4 ISSUING OF LEVY NOTICES

Peter Zunker asked if the notices of levies from the General Meeting have been issued as Peter believes that the motion specified a date. The meeting noted that a check of the minutes revealed that this was not the case.

The Treasurer advised that Carhills' (auditors) advice is still being compiled for review. The Treasurer further advised his belief that if we pass this motion and then issue levies, it is likely the levies will have to be reconsidered again. Therefore, the Treasurer has determined that levies should not be issued until the Carhills' review is considered by Committee.

The Secretary stated his opinion that levies must be issued lawfully. Debate continued between the parties regarding the proposed motion, the legality of the levies and the interpretation of the views of the Commissioner's office.

MOTION: - That the notice of levy be issued in accordance with the resolution passed at the EGM of CBC be issued tomorrow.

RESOLVED by Ordinary Resolution the motion be **LOST**

5 CORRESPONDENCE

Deacons Lawyers letter tabled by Peter Zunker

The meeting received the letter from Deacons Lawyers on behalf of Peter Zunker as Chairman of Notre Dame BUP. The meeting was informed that the Committee of Notre Dame had not met to authorise its production.

6 CARETAKER TENDER

Questions for Tenders

Body Corporate Services had provided a list of the questions presented from the respective BUP Nominees.

Peter Zunker disputed the inclusion of questions regarding him personally in questions to be put to the tenderers.

The Chairman advised that he will rule that Peter Zunker not be involved in these discussions because of a possible or perceived conflict of interest.

Peter Zunker stated that the Body Corporate which he represents contributes approximately 25% to the Community Body Corporate funds so he wants this issue addressed.

The Committee continued to debate the issue of conflict of interest. Body Corporate Services advised its interpretation that the *MUD (Mixed Use Development) Act* does not have a *Conflict of*

Interest provision similar to either that of the *BUGT (Building Units & Group Titles) Act* and the *BCCM (Body Corporate & Community Management) Act*. The Committee should seek legal advice to clarify this issue.

Concerns of Peter Zunker:

- Questions 1 - 3: Peter Zunker believes that the Cathedral Village BUP has a conflict of interest in the appointment of the caretaker as it is not a party to the residential caretaking contracts.
- Question 4: That the matter of extending the agreement only to 3 November 2009 not be included.
- Question 5: How is the question of whether Peter and Geoff Zunker will be involved in the caretaking in the Eddie and Lorraine Zunker tender relevant to the caretaking task?
- Questions 7 - 8: Peter Zunker states the figure is not \$950,000.00 but \$790,000.00. Also, it was agreed to exclude the figures from questions.
- Question 10: What relevance does the question of the use of supporting proxies from the letting pool have to do with the caretaking? Body Corporate Services advised that, as instructed, Body Corporate Services received questions, submitted and supplied the list to members unedited.

Peter Zunker departed the meeting at 5:40pm at the request of the Chairman passing his proxy to Crestina Ceraolo

Tabling of Caretaking Tender with Rider Levett Bucknall (RLB) Report

The Chairman advised that Ken Morrisby was called overseas so RLB were unable to complete the task by the deadline.

Crestina Ceraolo questioned why are we dealing through Ken Morrisby when getting RLB to do the work? The Chairman responded that due to internal conflict of the Committee it was felt it was better to appoint someone to act independent of the Committee in the briefing as you cannot have a number of people issuing instructions.

The Secretary, John Gilliland, tabled a letter from RLB which was read to the meeting by the Chairman. The letter from RLB also raised probity concerns regarding the tender process. The Chairman advised that due to instructions received from individual members, RLB were seeking clarification.

Todd Raumer queried why this was not addressed earlier. This is taking too long.
